MEMORANDUM FOR DEPUTY DIRECTOR OF CENTRAL INTELLIGENCE

SUBJECT: Intelligence Reporting from Non-Intelligence
Components of the Department of Defense

Your memorandum of February 24 has started a chain of events within the Department that will require coordination with a considerable number of organizations. This may prove to be time consuming. I am writing you now primarily to let you know that your comments are very much appreciated and that I hold similar views regarding the problems you raised. You will have a positive reaction from Defense.
